Volume 47 2005

Index

Authors and subjects of articles in the body of the journal are indexed together. Co-authors of all articles are cross-referenced to the first author. Book reviews are listed separately. (A), annotation; (C) commentary; (CR) case report; (E), editorial; (L), letter; (R) review.

Key to issues and pages

Issue	*Pages*	*Issue*	*Pages*	*Issue*	*Pages*
No. 1	**1–72**	**No. 5**	**289–360**	**No. 9**	**577–648**
No. 2	**73–144**	**No. 6**	**361–432**	**No. 10**	**649–720**
No. 3	**145–216**	**No. 7**	**433–504**	**No. 11**	**721–792**
No. 4	**217–288**	**No. 8**	**505–576**	**No. 12**	**793–864**

22q.11 deletion syndrome, Attention deficits in children with, 803
Disabilities and cognition in children with, 177
Early motor development in young children with, and a conotruncal heart defect, 797
Our evolving understanding of, 796 (C)
31st British Paediatric Neurology Association Annual Meeting, The, 645
47,XYY syndrome, Stimulant medication in, : a report of two cases, 559

A

AACPDM Meeting – Los Angeles September 2004, 211
